## Upside Down

Myriad spectrum hues above  
Spellbound, gazing up in love;

Beauty discovered, looking down  
Enchanted mirror all around.

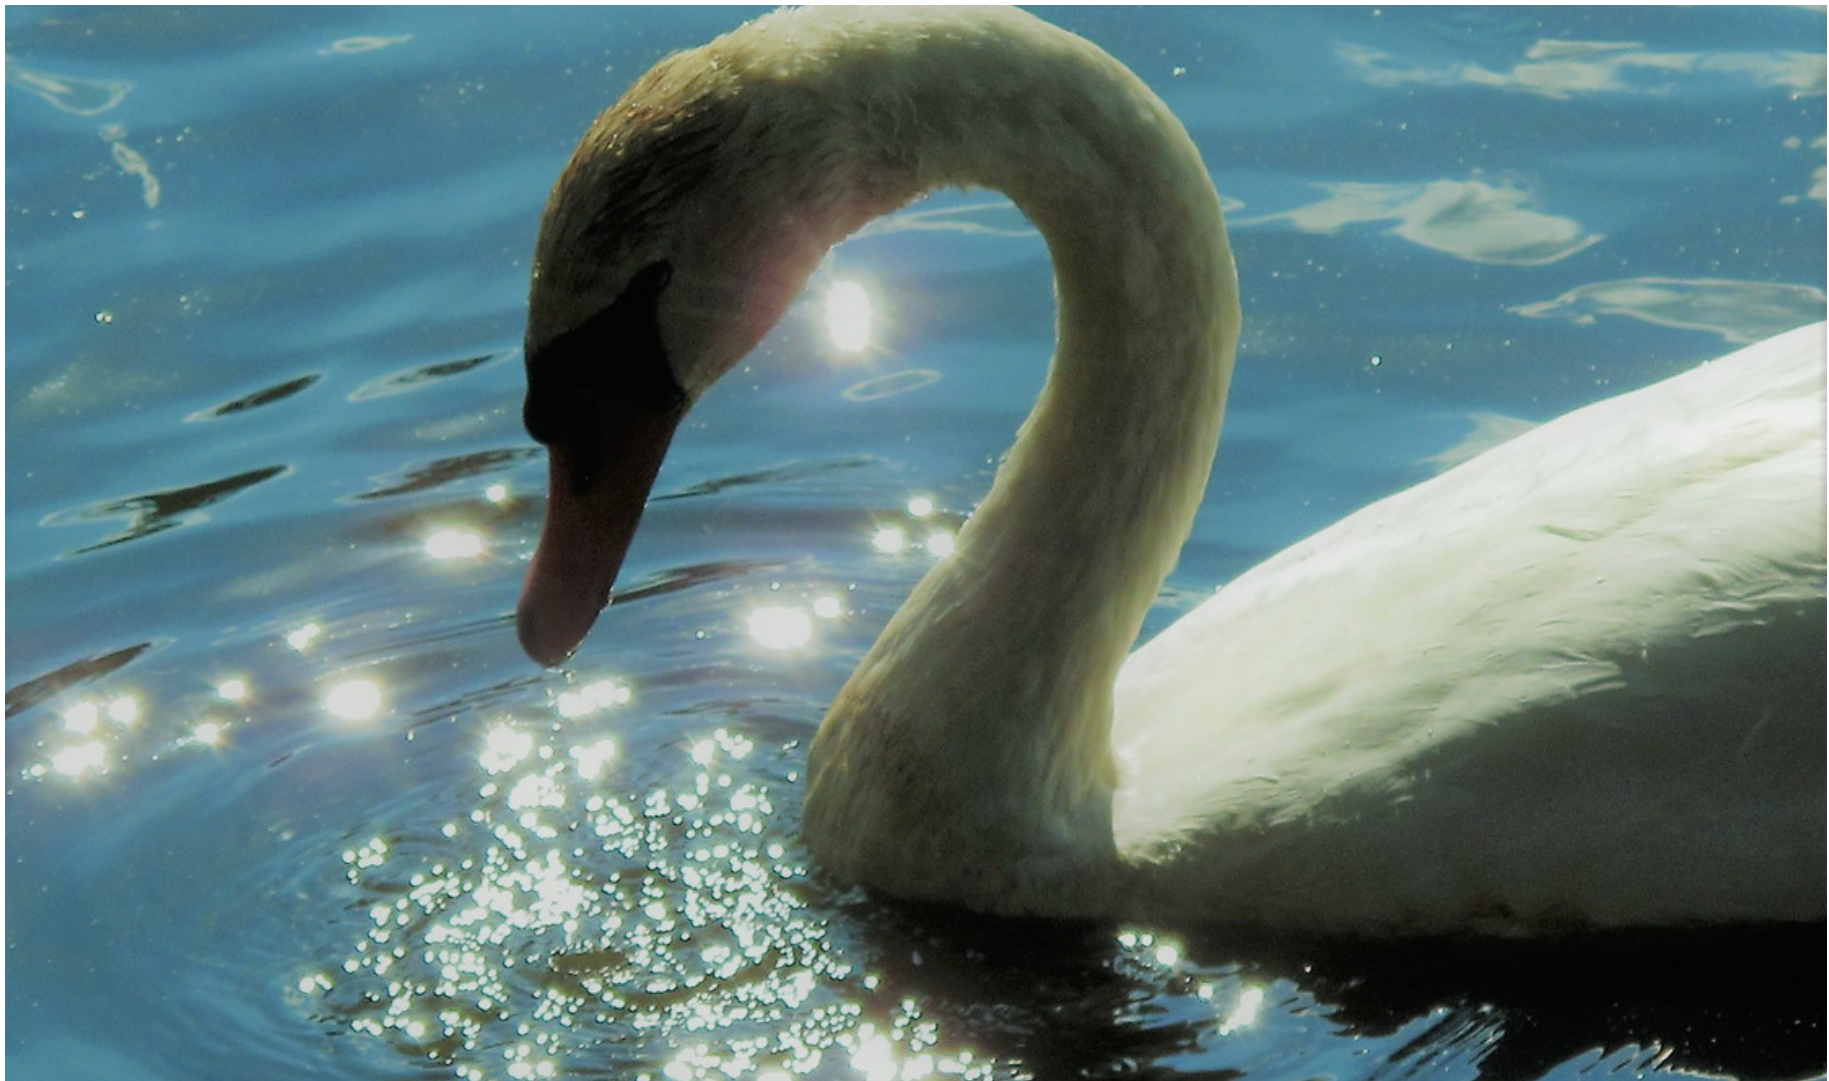

## Sunset Swan

Solitary silhouette  
Lake reflection casts  
duet  
Brilliant moment in  
sunset.

Take time for personal  
reflection at the end of each  
glorious day.

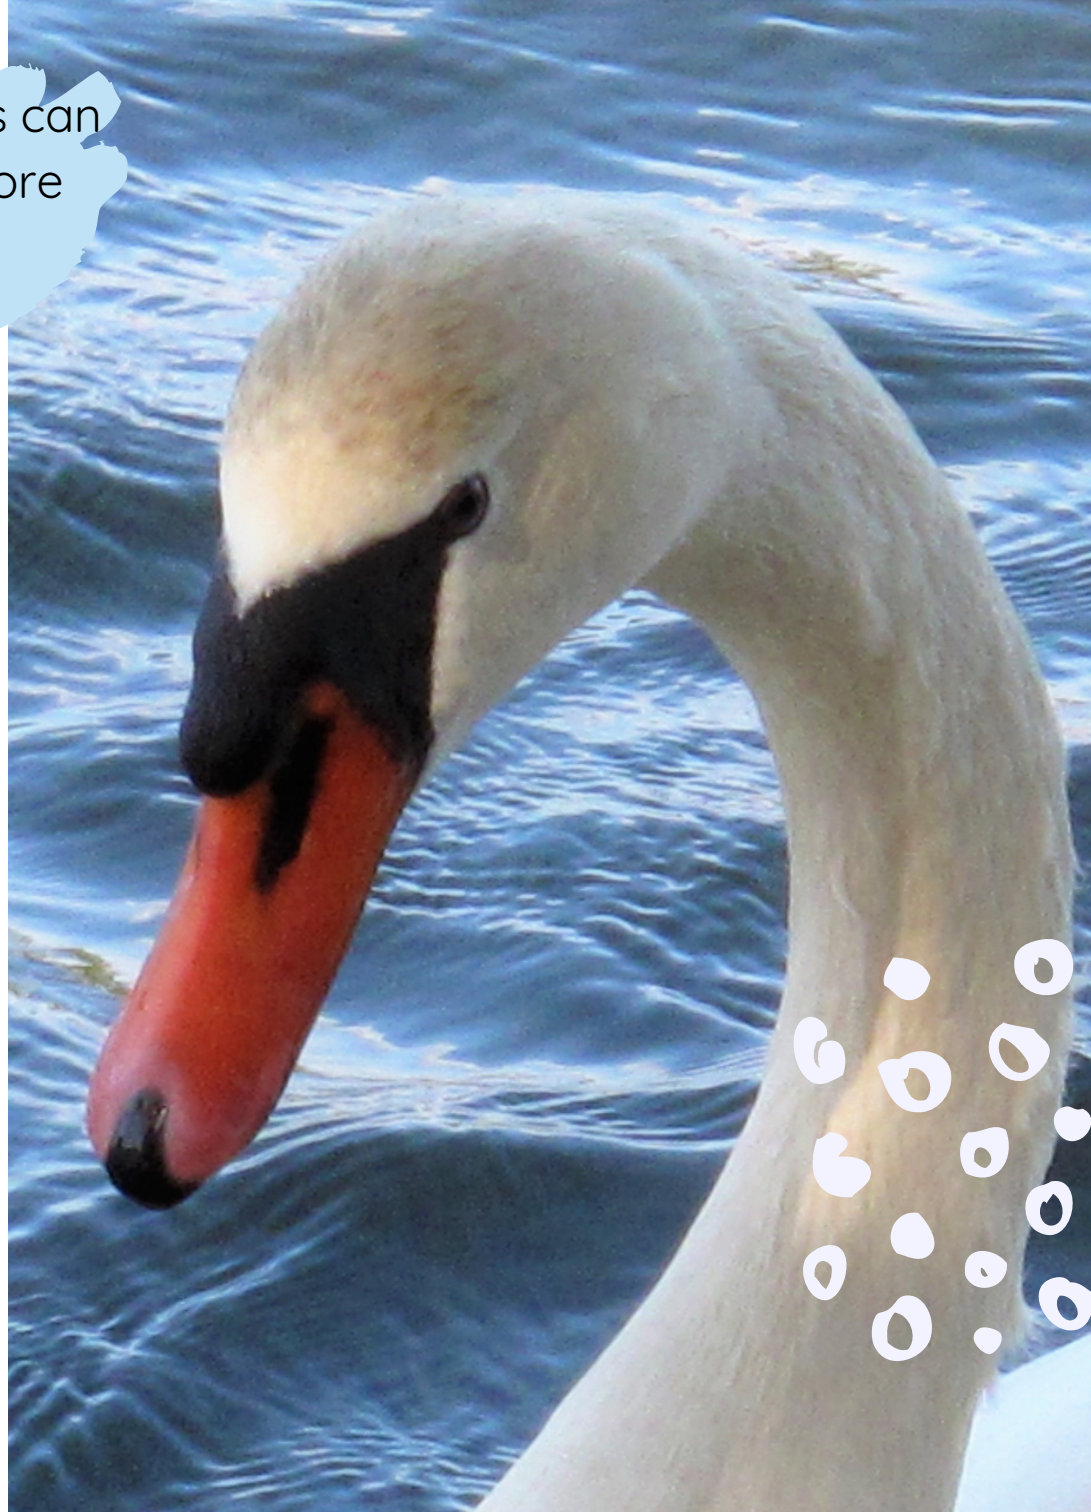

**Life is not measured by the number of breaths we take, but by the moments that take our breath away.**

Personal brokenness can  
heal to give us more  
light to share.

## Reflections

Ripples expand in festive  
attire,  
Spreading the joy of color on  
fire.  
Jewels in motion, sparkling  
so bright  
Broken onshore, creating  
more light.

# Palette

Life is a palette of colors to paint with!

Dancing stained glass,  
Elusive as air,  
Chaotic kaleidoscope  
Spreads everywhere.

Vibrant playground,  
Shimmering caress,  
Immeasurable folds of  
Fairytale dress.

Scattered prism,  
Sparkling, adrift.  
Unfathomable palette,  
Heavenly gift.

## Seek Light and Truth

"I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life." - Jesus, in John 8:12

## Swan Solo

Make time to enjoy being  
the unique person you were  
created to be!
